Results 1 - 10 of about 1,030 from portal.acm.org for sharing data object data sink. (0.18 seconds)

A Taxonomy of Data Grids for Distributed Data Sharing, Management ...

by S VENUGOPAL - 2006 - Cited by 137 - Related articles - All 58 versions

have the requested **object**, then it retrieves the **data** from the origin server or High-speed **data** movement, Optimal selection of **data** source and **sink** ...
portal.acm.org/ft_gateway.cfm?id=1132955&type=pdf

KStreams: Kernel Support for Efficient Data Streaming in Proxy Servers

by J Kong - 2005 - Cited by 10 - Related articles

and **sink data objects** appears in Figure 1. Not shown in that ... interesting example is a class-based fair **share** scheduler [6], ...
portal.acm.org/ft_gateway.cfm?id=1066020&type=pdf

LANES: an inter-domain data-oriented routing architecture

by K Visala - 2009

Dec 1, 2009 ... stretch, and **sharing** of the link and storage resources with the goal of maximizing the aggregate utility. **Data object** (or message **sink**) ...
portal.acm.org/ft_gateway.cfm?id=1658992&type=pdf

Network Flow Based Resource Brokering and Optimization Techniques ...

by C Toole Jr - 2008 - Cited by 2 - Related articles

of terminal nodes S , which contains source nodes s_i and **sink** nodes t_i . Nodes may have supply (or demand if to the size of the **data object** was transferred will tell us how ... **sharing** the same network. A simple solution however will ...
portal.acm.org/ft_gateway.cfm?id=1341825&type=pdf

Enhancing Network Services through Multimedia Data Analysers

by F Samaria - 1997 - Cited by 4 - Related articles

objects called modules. A server process, running on each ATM device, contains special Sink analysers **share** the same device and process as the **data sink** module. Sink analysers can be used to relieve the source from carrying ...
portal.acm.org/ft_gateway.cfm?id=244238&type=pdf

Playing push vs pull

by RC Chakinala - 2006 - Cited by 2 - Related articles

Whenever a **data object** is updated, its source relays the update to a designated subset of nodes, its push set; similarly, whenever a **sink** requires an update, Feedtree: **Sharing** web micronews with peer-to-peer event notification. ...
portal.acm.org/citation.cfm?id=1148153

Ravenscar Design Patterns? Reflections on Use of the Ravenscar Profile

by T Vardanega - 2003 - Cited by 3 - Related articles - All 13 versions

data objects (descriptors) for client and server objects to manipulate. Figure 1 depicts the components of ... pipeline from a (command or data) source to a **data sink** sent two concurrent "starter-continuer" processes that **share** ...
portal.acm.org/ft_gateway.cfm?id=959235&type=pdf

An Integrated Compilation and Performance Analysis Environment ...

by VS Adve - 1995 - Cited by 121 - Related articles

mapping run-time costs to **data objects** such as arrays and **data** layouts, and Each dependence record gives the locations of the source and **sink data** references of how the D compiler generates **data sharing** code, but also quickly ...
portal.acm.org/ft_gateway.cfm?id=224340&type=pdf

Playing Push vs Pull: Models and Algorithms for Disseminating ...

by RC Chakinala - 2006 - Cited by 2 - Related articles

... update **data objects** for a collec- tion of **sink** nodes, each of which periodically accesses the ... **data object** is updated, its source relays the update to a for the **sharing** of client service costs across commodities. ...
portal.acm.org/ft_gateway.cfm?id=1148153&type=pdf

Mobile Devices and Mobile **Data**—Issues of Identity and Reference

by P Lucas - 2001 - Cited by 16 - Related articles - All 7 versions

these topics raise diverse issues, they arguably all **share** a need for a ing devices float freely in a vast sea of **data objects**—objects whose existence the worldwide dataflow as a source and **sink** of **data** like any other system ...
